**At Old Park Primary and Nursery School we want to make a difference to the lives of our children.**

## **Together we dream, believe and achieve**

At Old Park Primary and Nursery School we aim to develop our young people's skills to be healthy, successful and independent adults who respect, value and contribute to the wider community and society.

At Old Park Primary and Nursery School we aim to create a stimulating environment where everyone feels happy, safe, secure, valued, inspired and empowered to achieve their full potential so that they have the confidence to fulfil their own aspirations in school and life. We want learning to be enjoyable and fun so that our young people develop a thirst for knowledge and grow into lifelong learners.

At Old Park Primary and Nursery School we believe that it is important that children develop confidence and high self-esteem. To help achieve this we offer a rich creative curriculum which nurtures independence, thinking skills, responsibility and high aspirations.

As an inclusive, nurturing school, we provide opportunities for all, whatever their learning needs. We have high expectations for all within our school community to ensure that we demonstrate the very best standards of conduct, moral purpose and integrity.

At Old Park Primary and Nursery School we aim to work with local, national and global partnerships in order to strengthen curriculum links and promote an awareness of the wider world.
